INSPIRED-TEACHERS COMPETITION

Preparing PPT/SWAY - Instruction Guide

FOLLOWING ARE INSTRUCTIONS FOR PREPARING YOUR POWERPOINT OR SWAY.

ENROLMENT CRITERIA:

1) Each registered teacher who has acquired 1500 or more points on education.microsoft.com website must submit a PowerPoint or SWAY to be eligible for the competition.
2) Teachers must invite/introduce and nominate at least 2 additional teachers within the school and 2 teachers from outside their own school institution who are not already participating in the competition. *(If all teachers are already registered within the school, invite/nominate teachers from outside your own school is also eligible)*

DOCUMENT & PROJECT PREPARATION:

1) The PPT/SWAY prepared by a teacher must show that they have developed and implemented a creative idea which has improved the learning outcomes and capabilities of their students.
2) This should be demonstrated in the PowerPoint slides with evidence of photos & videos. All text and videos must be in English.
3) The teachers must answer the following questions within their PowerPoint or SWAY presentation:
    I. What was the goal that you as a teacher set out to achieve?
    II. What activity or project did they work on to achieve this goal?
    III. How did the result of the activity improve your students' learning capabilities or institution's environment?
    IV. How were these results measured?
    V. What was the benefit to other teachers?
    VI. What qualifies you as a teacher to win this competition?
4) The PowerPoint or Sway presentations can be supported by images, photos and videos. All people in the videos and photos must have given written consent to their being involved in the competition. Should your entry be selected as a winner, JuanaTech™ may require you to supply consent forms as proof.
5) Entrants may be requested to reformat their PowerPoint or Sway if it cannot be viewed on receipt. Large files such as videos and photos can be sent via WeTransfer or any alternative used for such purposes.
6) Teacher can enter only presentation or sway, only one entry is allowed. Teachers must work individually.

PROJECT TOPICS:

1) Digital Day in the Life of a Teacher: **Digital Literacy** – Advantages & Benefits. What makes a Digital Classroom unique?
2) Inclusive Education in Mainstream Schools – **Accessibility Tools** – Digital and Non-Digital
3) **Social & Emotional Heath** – Why is it important & Best Methods and Practice for School Institutions

**Teachers must choose from the above any one topic only and prepare a PPT or SWAY.

PROJECT SUBMISSION:

1) Teachers to send PPT or SWAY link to inspiredteachers@juanatech.com (Multiple entries or multiple emails can result in rejection or disqualification). The subject of your email should be "Project Submission: Inspired Teachers Competition 2018".
2) Teachers with best SWAY or PPT presentation + highest number of badges will be considered. All screenshots of badges earned on http://education.microsoft.com to be send along with entry submission.
3) The project submission email must be sent before 12am(midnight) on 26 November 2018.

JUDGING CRITERIA:

1) JuanaTech™ will moderate all entries and reserves the right to reject entries which are technically unacceptable, and/or contain inappropriate material.
2) The teacher's PowerPoint or Sway must be viewable and / or legible to the judges. All drawings and photos should be sent as JPG or PNG files. All videos should be in an .mp4 format.
3) Teachers submitted project should contain between 10-15 slides or cards (SWAY) in PowerPoint or SWAY presentation respectively.

ALL THE BEST IN YOUR PROJECT AND WISH YOU GOOD LUCK!!
